

Membership Information & Application

The American Society of Law, Medicine & Ethics (ASLME) brings people together. By providing multiple forums for academics, scholars, and practitioners of medicine and law, we provide an opportunity to learn about new issues, reconsider old ones, and discover different points of view to common problems.

Through educational conferences, ASLME provides its members with an opportunity for professional development and scholarly debate on subjects of mutual interest. ASLME also publishes two quarterly journals; *The Journal of Law, Medicine & Ethics (JLME)* and the *American Journal of Law & Medicine (AJLM)*. Both journals offer informative articles on significant legal decisions and policy developments affecting health care. Whether you are a health law lawyer, an academic interested in health law, or anyone with an interest in how government shapes and is shaped by laws affecting the health of the nation, the journals are vital resources for you.

Membership Benefits

- Subscription to the *Journal of Law, Medicine & Ethics (JLME)*
 - Subscription to the *American Journal of Law & Medicine (AJLM)*
 - Conference registration discounts
 - Opportunities for earning Continuing Medical and Legal Education credits
 - Full access to ASLME's website, which includes access to ASLME's new job bank and online access to back issues of *JLME* and *AJLM*
 - Members receive a 20% discount on over 5,700 Blackwell Publishing products
 - Discounts on journal back issues and conference syllabi
 - Networking through ASLME's Web-Forum, allowing members to interact with other professionals on topics of interest.
-
